

JUNIOR POINTS LEAGUE 2017

2017 begins the second GAS Junior Points League competition, where all the age groups come together to compete for some major prizes. The competition runs for 10 specially selected non-carp matches, from March 18th on Richardson's Lake, through to the Xmas match on Hill Pond on December 16th.

This year will now see the top FIVE weights earn 5pts, 4pts, 3pts, 2pts & 1pt for finishing 1st, 2nd, 3rd, 4th & 5th respectively on weight in each designated match.

The overall winner will be the junior with the highest points after the Xmas match who will win a major prize. There will be other great prizes for everyone who register points. In the event of a tied overall points winner, the winner will be decided on overall weight accrued over the 10 matches.

There will be NO age groups for this special additional league and updates on points positions will be available after each match on the website.

Our new age groups will apply on all matches for our normal prizes as follows:
Up to 11 years, 12 to 15, 16 to 21.

You can attend as many matches as you wish, so don't worry if you can't fish all of them, there's still a lot to play for!

The dates that qualify for the League are detailed below and also on the GAS website calendar.
